One Day Childbirth Class

Time: 6:00pm

This is a 1-day Childbirth Preparation Class from 6:00-8:30 pm. Our goal is to prepare you to be a knowledgeable and active participant in your childbirth experience. In class we will cover:

- Nutrition
- Stages of Labor
- Warning Signs
- Comfort Measures and Pain Control Options
- Vaginal Delivery/Skin to Skin/Recovery
- Cesarean Delivery
- Breastfeeding/Early initiation/Feeding Cues
- Postpartum Care/Follow-up care for Mom and Baby
- Newborn Care/24 hour rooming-in
- Class includes a Tour of the unit

Classes are taught by experienced professionals certified in prenatal education.

One registration is required per couple (no need to add attendee during registration process). Spouses or support persons are highly encouraged to attend. Classes are held in the Women's Center at St. Francis Hospital located in the Butler Pavilion on level B.
