

Caught You **CARING!**

Use this Care Card to recognize a St. Francis employee who went above and beyond to exemplify our We Are St. Francis pledge.

Our pledge is to listen and communicate thoughtfully, embrace empathy, and act with compassion while working as one team to achieve our shared purpose of providing the best care to our patients.

Be sure to give an example of how the employee exceeded your expectations. Once finished, return the card to the Caught You Caring box.
