St. Francis-Emory Healthcare's mission is simple: Making Communities Healthier®. By creating places where people choose to come for healthcare, physicians want to practice and employees want to work, we are providing quality care close to home and investing in our region's overall well-being. Your support allows us to continue to enhance the many ways we serve and care for west Georgia and east Alabama today and for generations to come. Thank you.

— Melody Trimble, *CEO*

In 2019, we...

...added 82 providers

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high quality care. This year, we added providers in gastroenterology; ear, nose and throat; primary care; rheumatology and emergency services.

...made more than \$9.3 million in capital improvements

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year, we invested in renovation and expansion of our Bradley Center behavioral health facility, robotic surgery technology, information technology integration and more.

...distributed a payroll of \$135,467,125 to more than 2,000 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high quality care and service.

...donated more than \$69 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

...paid \$16,417,601 in taxes

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

St. Francis Fall 2019 Cohort graduates.

The DAISY Award for Extraordinary Nurses was presented to Ardythe "Ardie" McDowell.

LIFEPOINT HEALTH®

MAKING COMMUNITIES HEALTHIER

Charity care and other uncompensated care includes charity care, uninsured discounts and uncompensated care. Physician recruitment costs include recruitment costs and support of new physicians' initial practice establishment in the community. Payroll includes consolidated salaries, wages, benefits and contract labor costs. Capital investments include facility expansions/renovations, equipment purchases, technology replacement, information technology additions/updates and routine facility upkeep and maintenance. All references to "LifePoint," "LifePoint Health" or the "Company" used in this release refer to subsidiaries of LifePoint Health, Inc.

St. Francis-Emory Healthcare is part of LifePoint Health®, a leading healthcare company dedicated to Making Communities Healthier®. Through its subsidiaries, it provides quality inpatient, outpatient and post-acute services close to home. LifePoint owns and operates community hospitals, regional health systems, physician practices, outpatient centers, and post-acute facilities in 29 states. It is the sole community healthcare provider in the majority of the non-urban communities it serves. More information about the company can be found at LifePointHealth.net.
